To scarcity and inconvenience in Hongkong and

> For our part, we have never ceased to doprecate the unwisdom of constantly increasing the regation without heed of the reinous remaintain Mucao. Merenver, it is aubecoming

In dealing with the question of taxation the Covernment ought to bone well in mind to at Hongkong, it is beyond a doubt that these goods will no longer be brought here but wil make their way straight to Hongkong, only 40 of the decline in this branch of trade. They show that the value of Chinese products imported into Maone for export to foreign territories amounted in 1891 to 1.918.915 taels, and in 1892 to 1.684 630 taels. This dimination will inevitably Zambesia.

increase in proportion as the cost of living and rent for warehouses become greater since la bonrers will be forced to ask for higher wag a and house owners for better routs, thus augmenting the cost of carriage and preparing and warehousing goods, with the result that the furtherance of trade will be held back." Would that the officials were not bland to this fact! But there is another important branch of trade that may yet materially assist the prosperity of Macao musty, the coast trade. The peniusula of Macao, siluated at the month of the West River, gives it the natural advantage as a mart for the products of the western coast of Kwangtung with the wealthy districts of the Kwangchow-foo and Kim-ling-foo profectures, whither also are sont goods of European maunfacture from Macao. The Customs Returns show a large increase in the coast trade in Chinese products. In 1890 such products to the value of His Lordship said - Well, Mr. Osborne, I have 1.860,699 taels (were re-exported from Magna to) read your affidavit. You say you forgot all about China; in 1891 the value of this re-export trade the summous; you were over in Kowloon and increased to 2,291,424 table; and in 1892 made you forget. I feel I cannot go on necept. crease is a very important one. This is the ing these excuses. It is a very unpleasant thing branch of trade that mainly contributes towards for me to have to fine a juror, but I have to the upkeep of Macao, and furnishes much consider that your carelessness in this matter is towards the life and activity of the large number an injustice to the gentleman who had to serve of native hongs established here. Mints at the present favourable opportunity. Mr. Buxton-It is true that there was some scarcity of dexican dolbers in the month of July, and during the first week of August last. This was, however, owing to exceptional causes, and there is now an ample supply. The idea of a British dollar does not appear to have found much favour in the Straits Settlements; and at Hongkong it has been abandoned. In the latter colony it is now proposed to legalise the Japaness you—a coin of equal weight and fineness with the Mexican do lar. This proposal is at present under the consideration of Lord Herschell's committee as reconstituted for the consideration of colonial currency questions. The yen, I may observe, is already legal tender in the Straits Settlements.
